

Kids Table

Missoula Food Bank

What is Kids Table?

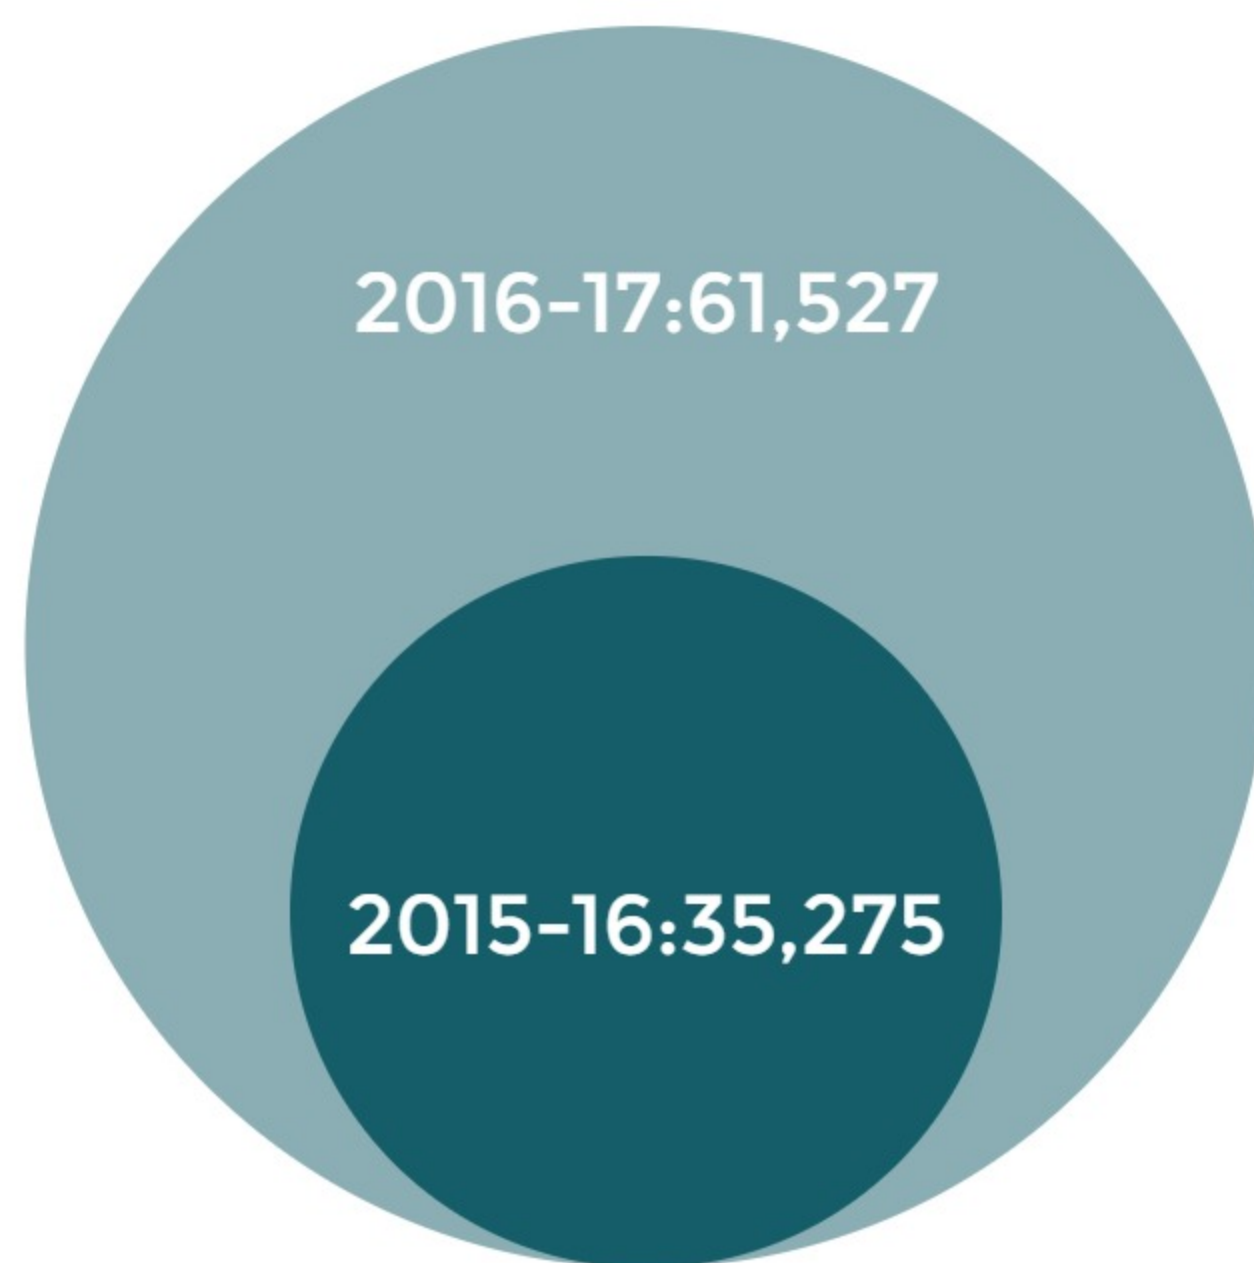

Kids Table is a partnership between Missoula Food Bank and after-school and summer programs. Through Kids Table, Missoula Food Bank provides healthy **after-school and summer meals** to children in Missoula's highest need neighborhoods.

During the school year, we serve **600 meals** every day at local schools.

During the summer, we serve nearly **20,000 breakfasts, lunches, suppers, and snacks** to kids who are at particularly high risk of hunger during long vacations away from school.

The Growing Need in Our Community:

Kids Table After-School meals served

Kids Table Summer sites

Kids Table Summer meals served

We see a difference.

Children who participate in Kids Table show less behavioral issues during snack time, are better focused, and have a higher attendance in after school and summer programs.
