Volunteers are critical to our mission.

People of diverse experiences share their time, energy and talents through a variety of jobs. These include stocking of the store's shelves, sorting food, interviewing customers, entering data, bagging groceries, cleaning, repacking perishable food, collecting donated goods, and delivering food to senior citizens.

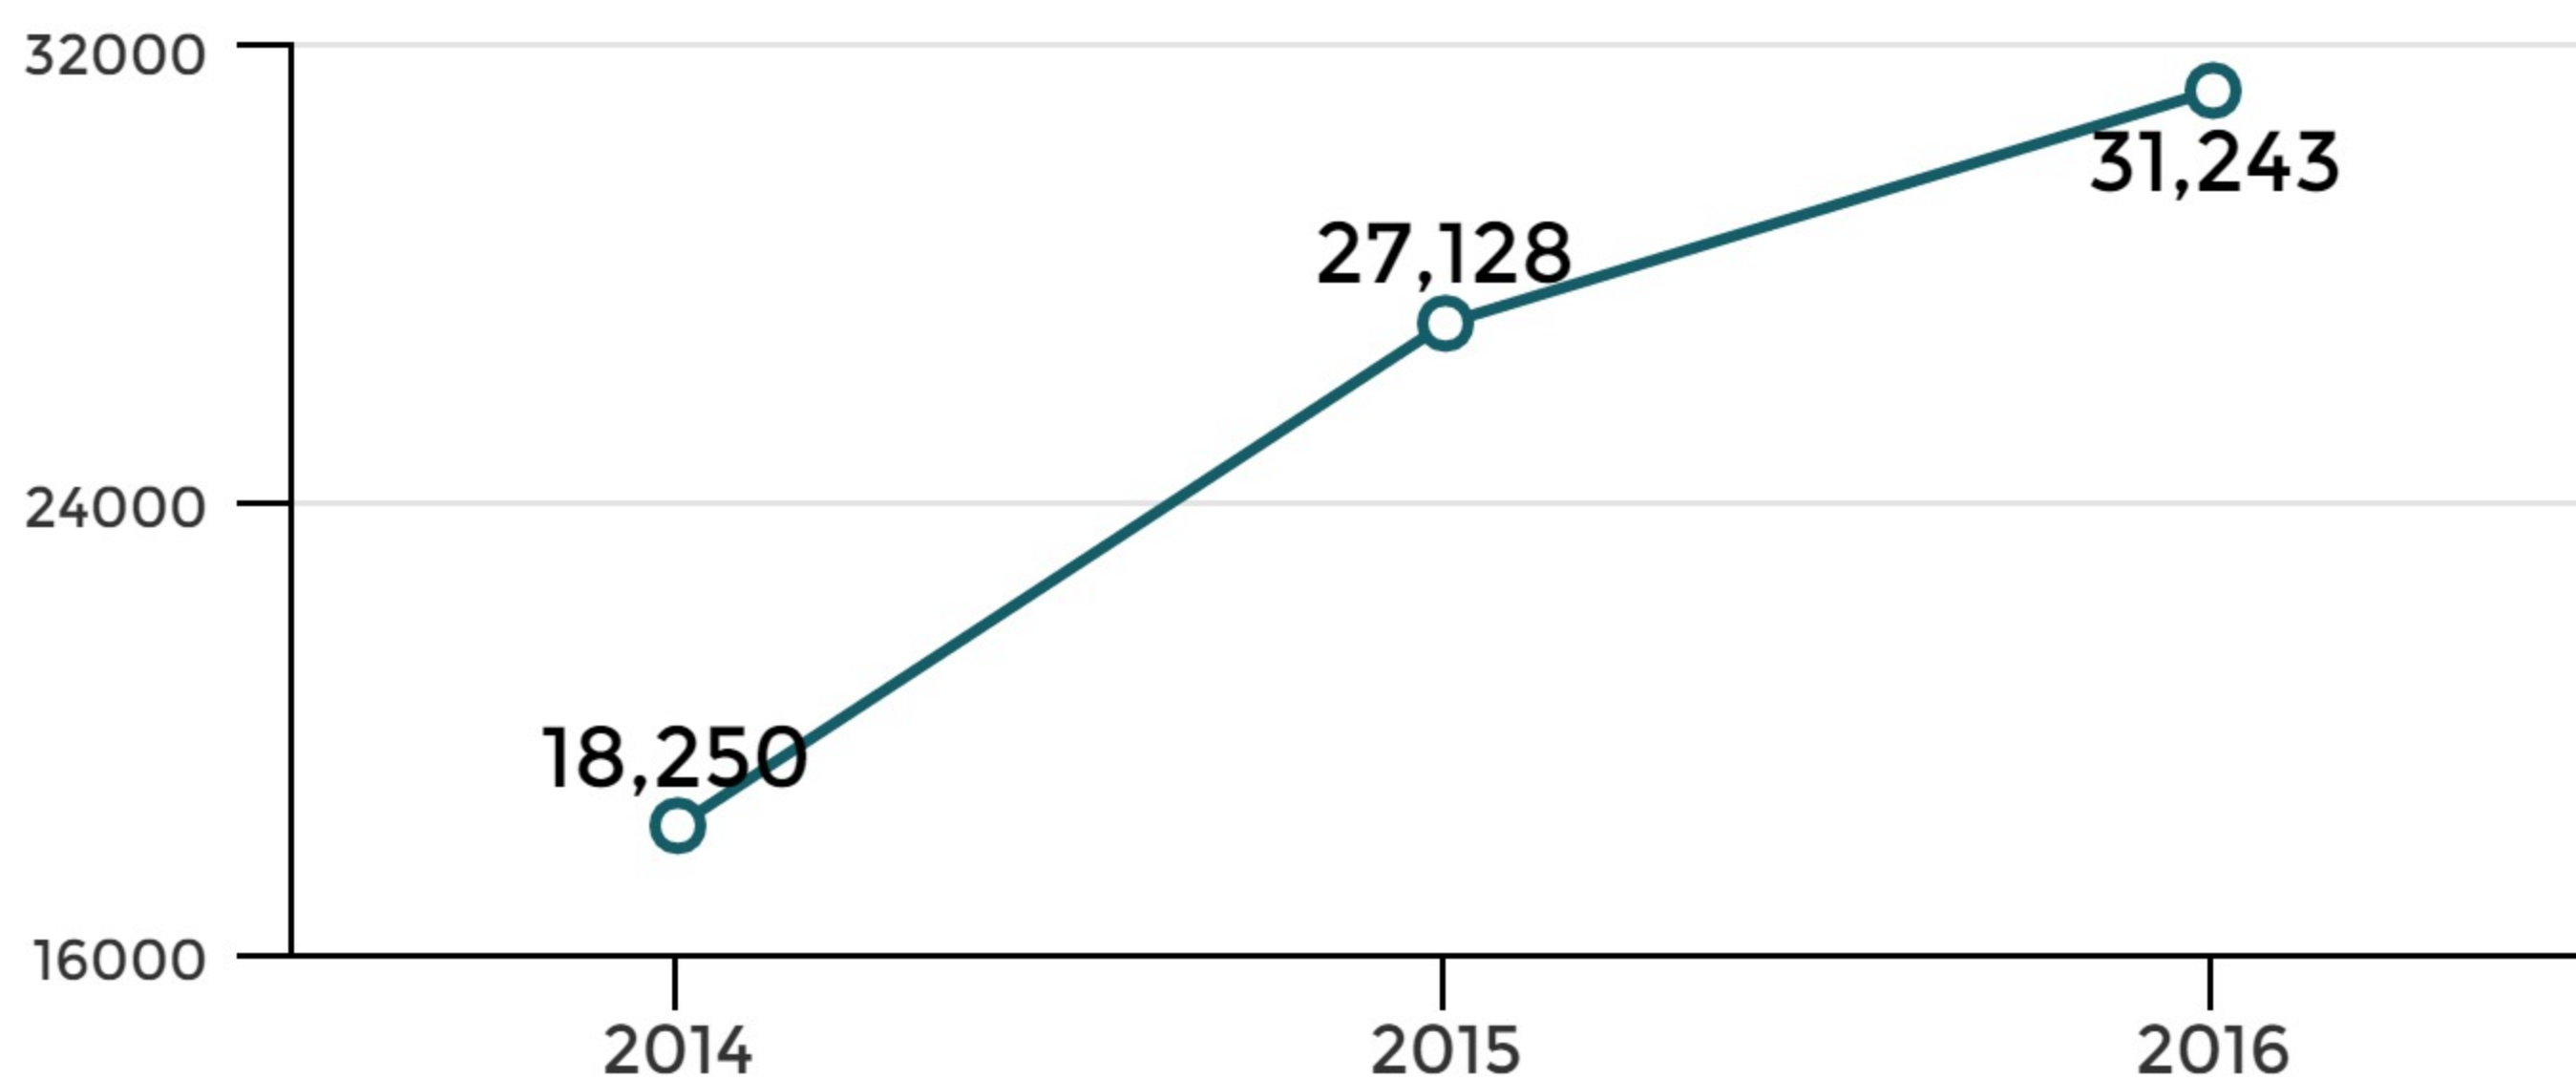

Volunteers are always needed and welcome!

Our volunteer force is the equivalent of 15 full-time staff.

Individual Volunteers

Volunteer Hours Worked

99% of volunteers surveyed in 2016 reported feeling satisfied with their volunteer experience. Volunteers describe their service as fulfilling, moving, joyful, and purposeful.
