Emergency Food
Missoula Food Bank & Community Center

How do I use your services?

Asking for help is something that can be difficult to do, but getting food at our food bank store is free, simple, and confidential.

When you arrive at the store, we will ask you to fill out a simple survey that will be used for statistical purposes. Your personal information will remain confidential.

Once we have entered your survey in our system, a trained volunteer will spend a few moments with you to explain how the store works and share information about other resources that may be available to you. Please bring a photo ID (if you have one) to show the volunteer.

Based on the number of people in your household, you are able to select food from the choices available that day. Once you have completed shopping, our volunteer grocery boxers will make sure you received the allotted amount and will box your groceries for easy transport.

Our services are available one time per calendar month for a full shop, and a second time per calendar month for a perishables-only shop.

Distribution Hours:
- Monday, Tuesday & Thursday
  10 am – 7 pm
- Wednesday & Friday
  10 am – 1 pm

Our services are intended to provide a 3 day emergency supply of food, and meant to supplement other food sources.
