

Kids Table

Missoula Food Bank & Community Center

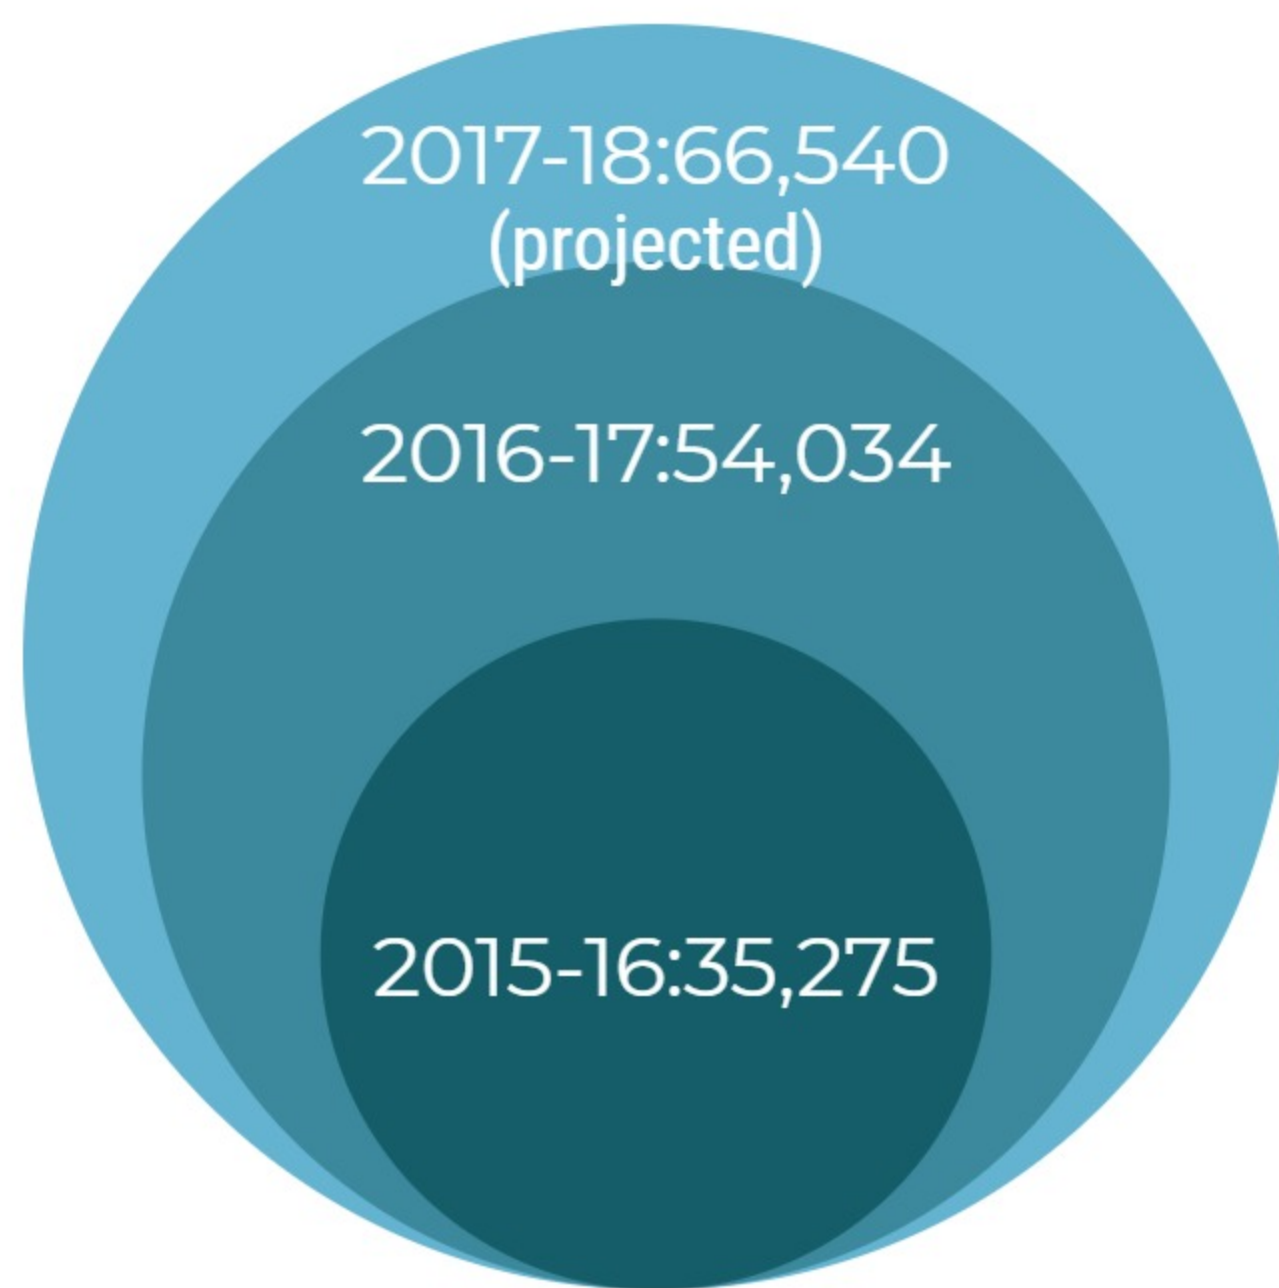

What is Kids Table?

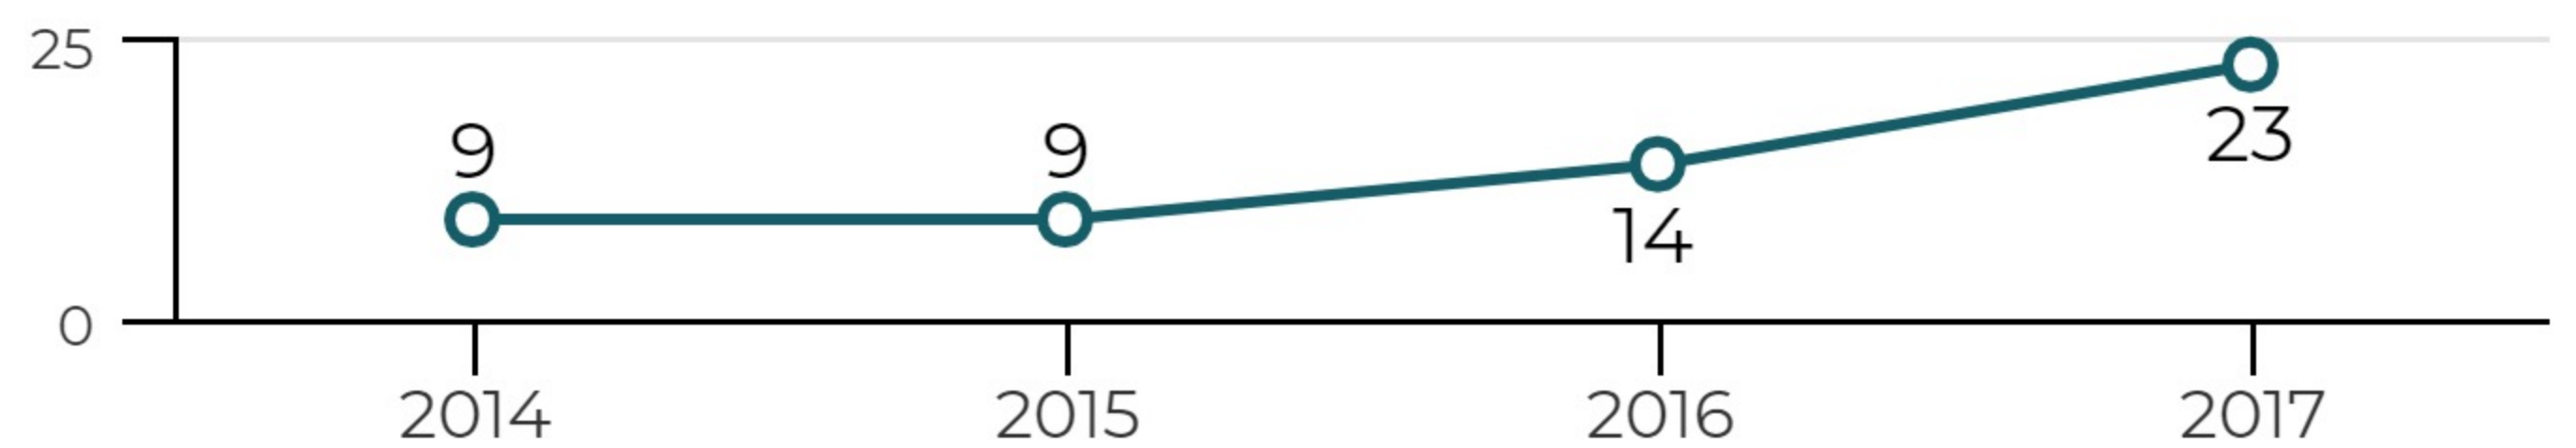

Kids Table is a partnership between Missoula Food Bank & Community Center and local after-school and summer programs. Through Kids Table, Missoula Food Bank & Community Center provides healthy after-school and summer meals to children in Missoula's highest need neighborhoods.

The Growing Need in Our Community:

We see a difference.

Children who participate in Kids Table show less behavioral issues, are better focused, and have a higher attendance in after school and summer programs.
