

ROOTS

Missoula Food Bank

What is ROOTS?

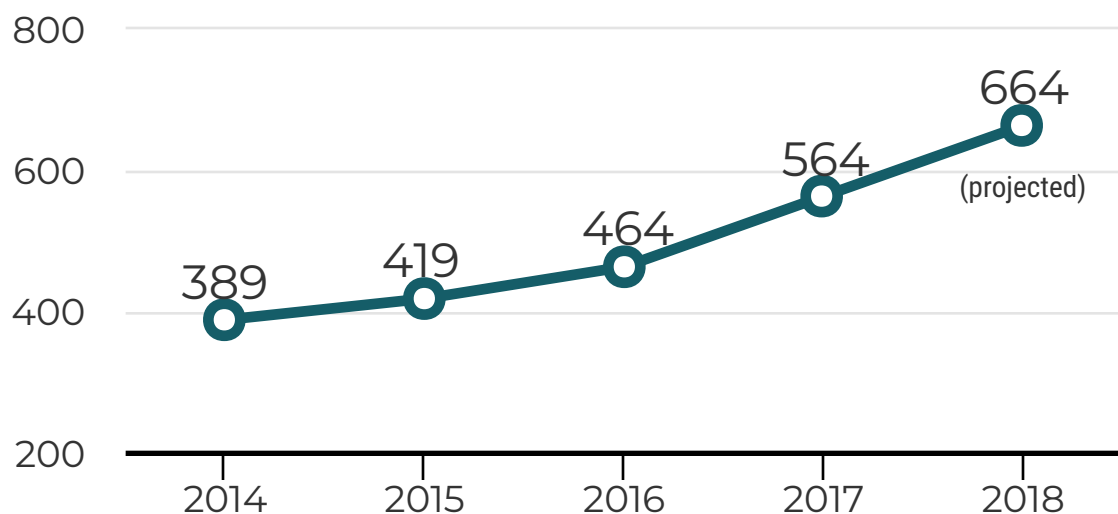

Each month, Missoula Food Bank's ROOTS program delivers nutritious USDA approved food to home-bound seniors in our community.

ROOTS participants are over the age of 60 and living on less than 130% of the poverty level.

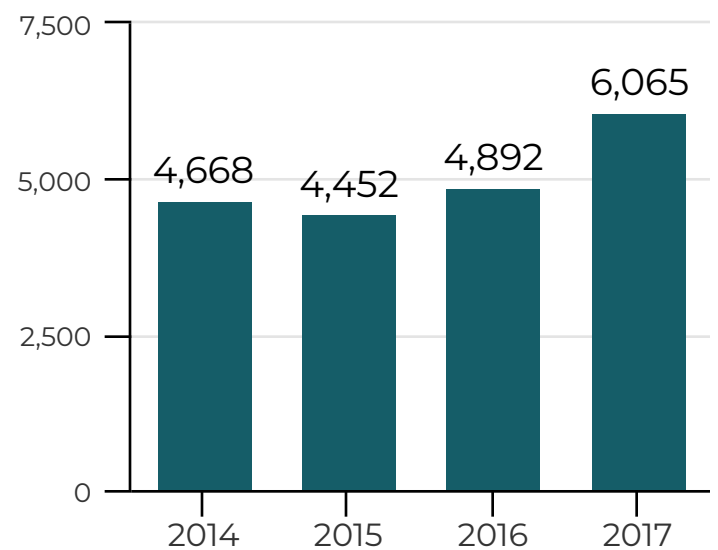

Seniors are the fastest growing population of people who come to Missoula Food Bank. The ROOTS program recently added over 140 spots to reach more seniors in our community.
